Boards of Trade Getting Behind Coast Exhibit

Spirit River, Exsmith, Clairmont, Wemby and Beaver Lodge Boards of Trade have notified the Grande Prairie Board of Trade that they are willing to heartily cooperate in placing a Peace River exhibit at Vancouver's Golden Jubilee celebration. A most encouraging report comes from the town of Peace River Board of Trade, in which that organization states that it is not only willing to assist financially but a committee has been appointed to organize the booth of the river.

C. Graham, who was delegated to take up the matter of exhibiting at Vancouver with the various Boards of Trade in the Peace River Block, brings back the report that in his opinion that the Block Boards of Trade will come in with the rest of the Peace River instead of putting on a separate exhibit, as at first intended. By combining the exhibits from the various sections of the Peace River it is pointed out that the cost can be kept down to the limit.

St. Jos. Dramatic Club Again Score Marked Success

Repeat Presentation Of "The Catch Of The Season" Proves Popular—Mayor Thanks Dramatic Club For Cooperation In Helping To Raise Money For North Exhibit At Coast.

St. Joseph's Dramatic Club scored another successful evening in their presentation of "The Catch of the Season," staged at the Elks Hall on Monday night, sponsored by the Grande Prairie Board of Trade.

"Due to the season of the year many were unable to be present. However, considering this, there was a good attendance, many coming in from the country districts as far out as Hilo Grande.

The play and side-lights moved with an admirable smoothness from beginning to end, and the general comment was, "Excellent done."

The orchestra, led by T. Wilson, were excellent in their various numbers and were a big factor in rounding out the most enjoyable evening.

There were some changes and additional turns added since the first production, which added to the interest of the offering.

One of these additions was the chorus with "Pick-Me-Up-Ton," the tap-dancing being artistically done by Edna Hillman. This turn lent a very pleasant variety to the performance and received a good hand.

Another change in the previous program was the new comedy which included Edna Hillman, Mickey Eastbrook, Ramona Popple, Mabel.

WELL-KNOWN SURVEYOR TO VISIT TOURIST PARTIES THIS SUMMER AT FORT ST. JOHN

R. P. McCusker, civil engineer, who has surveyed the Peace River off and on since 1909, was a passenger on Tuesday's train en route to Fort St. John, where he will outfit tourist parties during the summer.

In conversation with The Tribune reporter, Mr. McCusker stated that he had recently returned from New York and Ottawa. There seemed to be no scarcity of money in either city," he remarked.

The visitor a few years ago surveyed a large area west of Spirit River.

Work Rushed On Detour; Slave Lake Rising

However Towns People Not In Danger As Buildings Have Been Moved From Lake Front

EDMONTON, May 14.—With construction of all bridges and most of the detour completed, the new 12-mile stretch of highway which detours the area flooded out last year toward the flood heights which were reached last year, when the town of Slave Lake became a new Venice, is now being made. Mr. F. Keith, Deputy Minister of Public Works, reported today.

While the department pushes work on the new detour, residents of the area are watching the lake slowly rise towards the flood heights which were reached last year, when the town of Slave Lake became a new Venice, is now being made. Mr. F. Keith, Deputy Minister of Public Works, reported today.

Elimination School Meet To Be Held Sat., May 16th

At the Inspectorate Track and Field Meet which is being held in Grande Prairie on Saturday, May 30, the local schools are allowed one entry from each school in each event. In order to make the athletes have to represent the schools at the central meet, the Inspectorate School Meet will be held at the town park on Saturday, May 16.

At this elimination meet only the track and field events will be run off. Both schools will, however, be represented by basketball and softball teams. At last year's meet the High School team won the boys' basketball, girls' basketball, and the boys' softball.

Anyone interested in either of the above meets is cordially invited to attend.

Buffalo Lakes To Hold Ann. Sports Wed., June 10th

BUFFALO LAKE, May 12.—The annual Buffalo Lake sports will be held on Wednesday, June 10, at 7:30 p.m. tonight and decided to put on the best sports ever held here.

Backed by the Buffalo Lake Athletic Association, Buffalo Lake Curling Club, and the local sports community, the sports will be held in the town of Buffalo Lake.

Baseball will be the major event, and it is expected that the leading teams from surrounding country will be on hand to see the action.

A full line of races will be on deck, with a special list of novelty races, such as Ladies' wheel-sawing, sun-test, oldtimers race (all entrants must be over 60 years of age), and others.

A horse show will be held on the grounds, and a battle royal contest will be held on the grounds.

The grounds are located by one of the beautiful Buffalo Lakes, one mile north and one mile east of Buffalo Lake post office.

All teams wishing to contest in the events on that day are requested to mail their entries to the secretary, H. O. Poon, or phone Buffalo Lake store.

Entries to close Monday of June 10.

The committee hopes that every body will take a day off and spend it on the shore of Buffalo Lake, and take in the fun.

A big dance will be the order of the evening, and real snappy music is guaranteed.

SEVENTY-FIVE PER CENT SEEDING DONE IN HUALLAN DISTRICT, SAYS VISITOR

According to J. A. Mitchell of Huallan, grain buyer for the U.C.O. who was a visitor in Grande Prairie on Wednesday, 75 per cent of the seeding in the Huallan district has been done.

In answer to a question put by The Tribune reporter, Mr. Mitchell stated that there would be more land under cultivation in the Huallan district this year than last year.

President Musical Festival Gratified Promised Success

A. E. Galloway, president of the Musical Festival, is gratified to view the progress of the festival, and is confident of its success.

The fourth annual Grande Prairie Musical Festival will open on Tuesday, the 19th, at 2 p.m., with the promise of being the largest festival of all the number of entries being in excess of those last year. The various committees have their own special work well in hand, and everything will be in readiness for the opening day.

An interesting feature of this year's festival will be the Open Piano Solo Competition, the winner of which will be awarded the gold medal presented by Alberta College of Education. The festival is being held in the town of Grande Prairie, and is expected to be a most successful one.

Mr. Galloway, who has been in charge of the festival since its inception, is confident of its success, and is looking forward to a most enjoyable and profitable one.

Montrose School Give Pleasing Concert Sunday

Youthful musicians and choristers of Montrose school gave a very creditable performance at the concert given on Sunday night under the direction of Mrs. J. Smart.

Mrs. J. Smart's contribution to the Grande Prairie musical festival is a most commendable one, and is expected to be a most successful one.

Property Owners Asked to Help In Protecting Trees

Carrying out a policy laid down some three years ago, the town of Grande Prairie is busy engaged in planting trees south of the railway tracks.

For the two years previous tree planting was done in the town park, along the railroad road, and on First Avenue.

In discussing tree planting with The Tribune reporter, His Worship the Mayor said that he would like to make an appeal to the property owners to help protect the trees and report any damage from whatever cause to the town office.

"Many trees have been killed in town due to children breaking them down, and some have been destroyed by cows. This we feel can all be eliminated if the property owners will only co-operate with the town," said the Mayor.

There has been splendid response on the part of property owners in the matter of cleaning up and the Mayor is confident that the work will be completed. "The town," he said, "is doing its part."

GRADER ARRIVES

The grader ordered by the town of Grande Prairie arrived Thursday morning, and will be immediately used on work that has been held up awaiting its arrival.

The machine was bought from the Caterpillar Tractor Company and cost \$1,500.

SEXSMITH WEDNESDAY HALF-HOLIDAY ALL COMING ON WEDNESDAY NEXT, MAY 20TH

SEXSMITH MAY 14—Next Wednesday, May 20, the by-law creating Wednesday afternoon holiday will be in effect and continue to August 15.

Grande Prairie To Be Mecca For All Music Lovers; Two Hundred and Two Entries

All Preparations Made To Accommodate Visitors --- All District Points Are Well Represented With Entries --- One-Act Play Competition Especially Heavy --- Three Halls Have Been Secured To Hold Competitions

On Tuesday, Wednesday and Thursday of next week Grande Prairie will be the mecca for music lovers in the Grande Prairie district, the occasion being the Fourth Annual Musical Festival. According to Secretary H. L. Vaughan, 202 entries have been received as against 108 last year.

The following are the adjudicators: Madam J. J. Duggan, music; Theodore Cohen, elocution and dramatics; and Mrs. E. M. Steele, folk dancing.

Vancouver Is Busy Preparing In Big Way for Jubilee

Says Percy Sharpe, Who Returned From The Coast On Tuesday, Pleased That The Peace River Is To Have An Exhibit.

That the city of Vancouver is leaving no stone unturned to make the coming Golden Jubilee celebration one of the biggest things of its kind ever attempted in Canada was the report brought back by Percy Sharpe, who arrived home on Tuesday from Vancouver where he spent a month.

Holding, he said, are under construction and the city is preparing to accommodate at least a million visitors. To give some idea of the interest, Percy Sharpe said that the city of Vancouver is preparing to hold a series of events, including a series of musical performances, a series of theatrical performances, and a series of athletic events.

Mr. Sharpe was most pleased to hear that the Peace River is to have an exhibit at the Jubilee. He said that the exhibit will be a most interesting one, and will be a great credit to the Peace River.

Come to the Peace River Country's Outstanding Musical Event

Timely Hints From the Beaverlodge Sub-Station

By W. D. Albright
"IT IS A PLEASURE AS WELL AS A DUTY TO SERVE"

The sweet scent of Spring is in the air.

A good tomato keeps the manna straight and the collar fitting.

When one is mentally tired he can neither think nor remember the best advantage.

Winter grain fared less happily than a year ago. Cold weather when the ground was bare last Autumn or early Winter is the probable cause.

A log drag or a float run over the roadway each time when they are drying after a rain will keep them smooth and shaped up at small expense.

The farmers of the keep clanking our upland looms to the valleys, creeks, rivers and lakes. Can we spare it? Grass and tree roots are the best backbones. Mechanical devices help.

In Canada alone, says a press sheet released by the Publicity and Extension Branch of the Dominion Department of Agriculture, there are more than fifty thousand known species of insects native to the country. Three thousand of these are classified as destructive enemies, besides some pestiferous insect immigrants. Someone some day will write a song on men and the bug.

Unless it clogs with stones or trash, a stroke of a light lever harrow just as the blades of grain are peeling through the ground will do little permanent damage to the crop but the other hand, will help it by destroying myriads of weed seedlings at their most vulnerable stage. With barley a little more care is needed than with wheat or oats.

Roots of transplants should not be stamped into a hole in a rope-like tangle but spread out in a natural position, with the soil settled or worked in among them. The hole should be deep enough that the tree or shrub can be at first placed a few inches below crown depth, then gradually lifted and wedged a bit as the filling proceeds, until it remains an inch or so deeper than soil.

The weeds destined to over-top the grain are nearly always those growing between the drills. Those on

curving in the drills have to compete with the crop. For like reason a seedling plant of grain or clover has a better chance to develop in the interspaces than when huddled in the drill row. In occasional dry springs the grass or clover seed sown with the grain in the drill box and sown ahead of the drill, but in the majority of cases seedlings at Beaverlodge have resulted more favorably when the grass and clover seed was cast ahead of the plates, assuming that a nurse crop was to be used. Of course, much stronger meadow plants were obtained by seeding alone.

Those who write or talk much must expect to be misquoted at times, but when coming occasionally to attention a public man shudders at the chances to which his reputation is subjected. A phone call the other day informed us that we had been said to advocate the treatment of seed grain by sprinkling pure formaldehyde on a tarp and then piling the grain on this. Reference to Timely Hints shows that in the late spring of 1935 we had advised against such practice. Pure formaldehyde is treated by spraying them with a 50% solution of formalin and water as they are shelled, over but the quantity applied needs to be carefully watched, and this so-called "dry formaldehyde" treatment is distinctly injurious to wheat. Still worse would it be when the formalin was not diluted at all. In that case, as Dr. W. P. Hanna pointed out, the grain in the bottom of the pile would probably be injured while the smut would be imperfectly controlled.

Sheep Pasture on Old Grassy Land. Forty acres of old land summer-fallowed for this year's crop is getting infested with quick grass in patches. I am sowing barley and would like to put it down to permanent pasture. Each piece of land is about 100 acres. Would you advise which would be suitable for a permanent sheep pasture?

Locally I could get alkali clover with a small amount of timothy. Would it be advisable?—L. W. Manole, Alta.

Ans.: In the land actually infested with quick grass or is it sweet grass? The former has a head like an open head of Western rye grass and blooms

in late June or early July. The deeper-rooted sweet grass, so common in the North, has a hollow, seed-like head, odor and taste, heads in late May or early June, and has a panic type of head. Either will give strong competition to a new meadow seeding, but quick will be far the worse.

Brome, Kras, twelve or fifteen pounds, and alfalfa, four, would make a good pasture mixture and as long as the field is kept grazed down fairly well, we do not think there would be any trouble.

Mr. and Mrs. George Nelms came home last week. George still has a pretty sore throat.

Hills Wench is helping George with his spring work.

Mr. and Mrs. R. Reynolds called on Mr. and Mrs. G. May and Mr. and Mrs. G. Nelms last week.

Mr. Lako called on his Cornwall Creek friends last week.

Gordon May has his land all ready for the drill. John is busy brushing.

Mrs. Morris returned from B. C. We are all pleased to have her with us again. Mrs. Morris will stay with Mrs. Nelms. The club can boast of several new members. A softball and bat has been purchased and are being made use of.

Shrubs—Lawn Grass

1. We hope to do some work in beautifying our church property. I should like to know how mountain ash trees do up here and how I could secure four or five?

2. What is the cost of ten or a dozen hawthorn bushes?

3. Would you recommend a lawn grass seed? J. R. S. Dawson Creek, B.C.

Ans.: 1. The American (native) mountain ash is a very hardy, slow-growing. It makes an exceedingly attractive shrub but does not readily lend itself to training into tree form.

2. European mountain ash can be much more readily trained into a tree and is fairly hardy, though not hardy in the cold. It will grow in some frost-favored spot, possibly on Bear Mountain or along the river. It has been reported to us from as far north as Europa River, beyond the Peace.

3. Native hawthorn bushes are at 50 cents each and upwards.

4. Our experience does not particularly favor the elaborate seed mixtures for lawn purposes. Probably as yet the best lawn grass we have found is Kentucky blue at half a pound per square rod mixed with half an ounce of White Dutch clover. More grass seed could be used if one were not under the necessity of economizing.

5. Creeping red fescue is a very good well but we have data on it for but a few years back. It may have drawbacks that will appear on a longer test.

The Fairway strain of crested wheat grass is fairly serviceable but does not appear to us so favorably as Kentucky blue.

SAVING IN OPERATING EXPENSE OF DEPARTMENT OF FINANCE

OTTAWA (O.N.S.).—Returns tabulated in the Dominion House of Commons respecting the Bank of Canada reveal that 111 employees were transferred from the Department at inception. The total annual salaries of these employees is given as \$178,000, and the estimated annual savings in operating expenses to the Department of Finance, apart from salaries brought about by the creation of the Bank of Canada, is reported as \$500,000 to \$550,000. This does not take into consideration the fact that when the Bank of Canada commenced operations the Dominion government, under the terms of the Bank of Canada Act, transferred to the Bank of Canada \$115,000,000 five-year 3 per cent securities representing that portion of the Dominion note issue then outstanding and assumed by the Bank of Canada, not covered by gold and silver.

EAST OF THE SMOKY BRANCH OF THE BRITISH EMPIRE SERVICE NEWS

DEBOLT, May 7.—The usual monthly meeting of the above branch was held on the first Saturday in May.

Chairman William Perkins occupied the chair and called the meeting to order. The usual business was transacted in honor of our departed members.

The minutes of the previous meeting were read by the secretary, Edmund W. G. Givens. It was moved and seconded that same be adopted as read.

The secretary had on hand a volume of correspondence from the provincial secretary, relating to the business of the Dominion convention, which was held in the city of Vancouver, all of which was of much interest to the returned men. The Dominion president gave his report on the activities of the Canadian Legion for the year and showed much had been done to better the conditions of the returned men and their dependents.

The Viny Pilgrimage is an assured success. Many of the old boys took part in this old scrap of 10 years ago would like to be able to pay it a visit again.

Several hundred men from taking part in the pilgrimage. But we will have to wait until the next pilgrimage and wish the more fortunate ones a pleasant journey, and just say "Hello" to our old boys.

The local branch meets the first Saturday in the month. In the future, however, and all returned men are welcome. Any wishing to join the branch should have their application from the secretary.

The ladies always supply the tea for a social hour after the usual meetings.

W. G. GIVENS, Secretary.

DEBOLT CHURCH NEWS

DEBOLT, May 7.—The spring and summer church meetings in connection with the Debolt United Church got away to a good start on the first Sunday in May.

We are very fortunate in having secured the services of Mr. Kitchin as student minister for this season. Mr. Kitchin has served the Peace River country for a couple of years in this way, and he has done much travelling through the Peace River country.

The service on Sunday was held at 2 p.m. and about forty-five people were present, and the service was all that could be expected. Mrs. John Hiding presided at the organ and Mrs. D. M. Kitchin, wife of the student minister, led in the singing.

Mr. Kitchin said he was looking forward to the service with much interest. He was anxious to meet all the people and wanted the people to make known to him where his services might be required.

His talk to the young people on the "Engagement" was most interesting. He said, "I don't think it is a very serious thing to do, and I think it is interesting, and then his sermon was very interesting, showing us the life of the Christian Church and the Christian ministry.

The next church services will be held every Sunday, commencing with the morning service at 10 o'clock and the church service at 11.

All those interested in teaching a Sunday school class are asked to be at the next Sunday morning. Mr. E. C. Clarke, superintendent, will be pleased to have their help.

Mr. Kitchin comes from the City of the Good and he does not intend letting the snow under his feet. He is a husky fellow and has a real horse and much interest in the life of the church. The people will appreciate his work and make a point to attend his services.

It was announced that there would be a social service held in the church on Wednesday night at 8 p.m., to welcome the returned men and their families. The ladies will bring cake and a collection will be taken up in aid of new seats for the church.

WAPITI NEWS

WAPITI, May 5.—Mr. O. Berg and Mrs. Stedman, who have been on the sick list for some time, are now able to be around again. We are glad to report.

Mr. Kitchin and his son, Johnny, were visitors in Aspen Ridge last week.

Mr. P. Elliot is working for Mr. Thompson for a few days.

A nice crowd turned out for Sunday school last Sunday. The Sunday school has been reorganized and Mr. Dornier elected superintendent and secretary-treasurer. It was decided to collect another six dollars this year, and put it with last year's collection. The money will be used for buying hymn books for the Sunday school.

Quite a few people flourished on Sunday last Sunday after Sunday school. A number of them smiled sweetly into the camera, but whether we really were smiling sweetly or not remains to be seen.

The unsettled cold, rainy weather is delaying the planting and pruning activities over here, but it is to be hoped that there is a little warmer weather in the offing.

Mr. Eric Berg was on a short visit to his parents here last week. We understand he is to manage A. K. Watts store for the next three months.

feet of garden will give good results. There are many other fertilizers satisfactory for the purpose in point of analysis such as 5-8-7, 3-10-8 and 4-8-10. Dried and pulverized sheep and poultry manure are also satisfactory when applied liberally (say 10 pounds per 100 square feet) for the plant food content of these is comparatively low, i.e. 2 per cent of nitrogen, 1 per cent of available phosphoric acid and 3 per cent

SPIRIT RIVER NEWS

Say "Scarecrow Creeps" Was One Of The Best Yet

SPIRIT RIVER, May 11.—The Maenac Hall was well filled on Friday evening for a dramatic performance which was acclaimed one of the best yet staged in Spirit River. The play was a mystery comedy by Jay Tabbie, "The Scarecrow Creeps," and was presented by a well balanced cast under the direction of Rev. A. Thorpe, and in aid of the United Church.

With excellent characterization and interpretation the players kept their audience on the jump from the greatest of comedy to the thrill of suspense and shivers, and always in the suspense of mystery.

Sound and lighting effects uni-

nified by Mr. Percy Hamilton and Mr. Cyril Harrington contributed largely to the success of the performance.

The play was cast as follows: **Roderick Gage**, Mr. Cecil Hightower; **Mr. Kenneth Gage**, Mr. Larry Sachs; **Perry Gage**, Mr. Ken Halden; **Mrs. Annabelle Gage**, Mrs. A. P. Best; **Miss Annabelle Gage**, Miss Clara Fidler; **Norma Gage**, Miss Ruby Johnson; **Aunt Elizabeth**, the Bessie Cook; **Miss Ethel Fidler**, Miss Ethel Fidler; **Trailing Arthur**, Mr. Ken Halden; **Maude Hobbs**, the maid; **Mrs. W. J. Thomas**, Mrs. W. J. Thomas; **Adams Fidler**, the butler; **Rev. A. Thorpe**, the Scarecrow; **Mr. Lloyd Bowen**, the doctors; **Mr. Art Sande**, for his valuable assistance in starting and promoting; **Mr. B. Holmberg** and his school orchestra for their selections between acts and all who assisted in the making of properties, etc., and Messrs. J. and Clarence Rapier for their draying accommodation.

After the play a short dance was put on by the Tennis Club.

C. G. I. NOTES

Under the leadership of Miss Mayva Oke, assisted by Miss Jessie Eddy, the Sunbeam Junior C. G. I. F. group, are carrying out a very fine program in their weekly meetings at the school. On Saturday the group were very successful in their sale of 250 Sunbeams for Mother's Day. The proceeds going to the school. The group themselves were a credit to the girls who made them and to their instructors.

The "Good Companions," Senior C. G. I. F., held a business meeting in the Oddfellows Hall on Monday last and arranged for a sports meeting to be held on May 11.

JOYFUL WORKERS LIVE UP TO THEIR NAME

SPIRIT RIVER, May 11.—The Junior C. G. I. F. (Joyful Workers) sold candy in aid of the missionary fund on April 11. The proceeds amounting to \$8.25.

On May 9, the Joyful Workers (who certainly live up to their name) sold caramels for Mother's Day and the proceeds amounting to \$8.05, of which \$4 was donated to the United Church Sunday school.

The girls are busy with their knitting, leashes, under the leadership of Mrs. Oke, Jessie Eddy and Virginia Ferguson.

BEAVER LODGE

HAS NEW POLE AND FLAG

BEAVER LODGE, May 11.—The Legion club house is very well these days with a brand new flag pole and flag. The flag was donated by Dr. McLean and measures 7 feet by 14 feet. The pole was donated by Percy Stevens.

MINSTREL SHOW BIG SUCCESS

The baseball boys' minstrel show went over big and the boys are very well pleased with the way the people turned out and helped to make it a success. The boys wish to thank all who helped them with the program and did any work for them.

The W. A. of the United Church will meet Wednesday next at the home of Mrs. Rex Little.

The baseball team and the basketball team are very busy getting in shape for the sports on the 25th.

"THE CAMPBELLS ARE COMING" SEE THEM AT BEAVER LODGE SPORTS ON MONDAY, MAY 25

The Campbell brothers are preparing to make all the sports this year and again try their luck on the race track.

On Friday, Johnny Campbell bought from Frank Donald the well-known little pony named "Pete" Don, previously owned by Carpenter brothers. Pete Campbell bought from Mr. Donald "Brown Jug," a big, heavy horse which is said to be a good one.

These horses will start the season at Beaver Lodge on Monday, May 25.

HUALLEN NEWS

ABOUT 75% OF WHEAT SOWN
HUALLEN, May 12.—With the present fine weather seeding is now proceeding rapidly. There was some delay at the start owing to ground being rather wet in spots and many farmers were short on horse power owing to an epidemic of distemper going through the district. It is estimated that 75% of the wheat is sown and there is quite an acreage of oats already sown. Present indications are that most of the crop will be in the ground by the 25th of May.

The Beaverbrook team will play against the Caribou next Friday. You'll hear from us again after that date, and maybe you won't.

FLYING SHOT ITEMS

SOCIAL CLUB ENJOY MEETING

FLYING SHOT, May 11.—Last Wednesday afternoon the women of the Social Club met at the schoolhouse. There were seven members and one visitor present. Mrs. Ross hosted the club members. We were very glad to welcome her.

Mrs. Pop gave a very interesting talk on resolutions of pioneer days. This was listened to with very deep interest as none of the other members came over the Edison Trail but Miss Pop.

Two men then arrived and was much enjoyed and afterwards Mrs. Howes sang most beautifully the song called "Hearts and Flowers."

The meeting closed by all singing "The Star of a Perfect Day." The ladies also enjoyed looking at photographs taken on the Edison Trail and of many days.

The next meeting will be on the first Wednesday in June. At this meeting arrangements will be made for the school picnic. It is to be hoped the roads will be improved by that time and more members able to be present.

SEEDING WELL ALONG
Seeding is getting along fine in the district. The wheat is coming through the ground well on some of the farms. There are reports of wintering of crops and of many of the perennial plants on some of the farms.

CHURCH SERVICE NEXT SUNDAY
There will be services at the schoolhouse on Sunday at 3 p.m. A cordial welcome is extended to all.

Mr. and Mrs. Fairbairn and wee Tommy were Sunday visitors to the Pope.

TWO RIVERS DIST.

By Jack Pine.

TWO RIVERS, May 11.—We of the district wish to congratulate Mr. and Mrs. Bill Pedue and wish them health, wealth and happiness throughout their married life.

Ted Chambers starts work on his own place either today or tomorrow. "mud permitting."

Alfred Pedue is busy making his own place with the combine and is quite adept at running out of gas at the river end of the field to his gas drums.

Jim Allen of Beaver Lodge must be in love or something. First of all, one night last week he was delivering gas when everyone else was in bed; then he drove a barrel of coal oil at Alf's instead of gas; then he lost an empty barrel on his way home.

Mr. and Mrs. Pedue, Jasper, Dorothy and Foster Pop and George were visitors at the home of Mr. and Mrs. E. Cowgus.

SEEN AND HEARD

LAKE SASKATOON

W. A. MEETING MAY 20
LAKE SASKATOON, May 11.—The W. A. will hold their meeting at the home of Mrs. Arthur Smith, Wednesday, May 20, instead of the 18th, as was arranged. Members from Buffalo Lakes and Wembley have been invited to join in this meeting.

We are glad to hear Jack Allop has returned home from the hospital.

Seeding is well on the way in this district, the cool weather being distinctly favourable for work on the land.

The Junior U. F. A. have decided to postpone further meetings till the fall.

Mother's Day is Mrs. "Scotty" Smith's birthday, so we take this opportunity of wishing her many happy returns of it.

CARD OF THANKS
Mr. and Mrs. G. Brackman wish to thank all those who so kindly extended their sympathy during their recent bereavement.

NEW COINAGE MUST BEAR HEAD OF KING EDWARD VIII
The government of Canada is considering the design of the Dominion's new coinage, which must be struck with the head of King Edward VIII instead of that of King George V before the end of 1936. The present coinage, struck in 1926, is correct, as King George was still alive in this year, but the coinage struck in 1937 must bear the head of the new King.

FREIGHTERS BREAK OUT OF ICE PACK AFTER BEING TRAPPED FOR DAYS

Great Lakes shippers incurred a daily loss of more than \$10,000 when 22 freighters were locked in a 40-mile ice pack at Port Colborne, Lake Erie. Efforts of the ships to break through were blocked for several days when a southwest wind jammed the huge floes into windrows. This remarkable aerial picture shows some of the freighters trying to break their way through the ice.

FACES LIFE TERM FOR KIDNAPPING OF BOY

An attempt to kidnap 10-year-old Henry Koch of Allentown, Pa., ended in the arrest of Richard D. Taylor of Akron, who faces a possible life term in the penitentiary as a result. Taylor, said to have confessed, was seized by the police less than three hours after the young Koch had been kidnapped. Koch was lured into an automobile, bound with tape, and taken to a woods on the outskirts, where he was left while Taylor returned to town to send a ransom note to the boy's wealthy father. Young Koch freed himself by cutting his bonds on a sharp stone and called his parents, leading to the arrest of Taylor. Koch is shown at the extreme right, showing a playmate the marks left when he was bound.

ACTRESS WOUNDED

Two figures prominent on Broadway, were in the news again, as Miss Doris Dudley, young actress, recovered from a gunshot wound. Sidney Kingsley, noted playwright and winner of the Pulitzer prize in 1934, was the other principal in the case. Police describe the superficial chest wound as self-inflicted, while the actress father, Hild Dudley, dramatic critic, contended it was accidental. The affair ended with a dramatic reconciliation between the two principals in a hospital room, where the alleged lovers quarrel was patched up.

over to Victoria, and then sailed (for change!) back to Vancouver. Dorothy likes Vancouver but doesn't think much of Victoria. They'll be somewhere or other in the States now.

Mr. and Mrs. H. C. Melness and children and Mr. and Mrs. H. T. Melness spent Sunday, May 10, at the Melness home at Yavalla Centre. Mr. and Mrs. Melness had their little son christened Allan Leroy. The sponsors were Mrs. Anne Melness, Mr. and Mrs. P. G. Loberg, and Mr. and Mrs. H. T. Sparty. Rev. H. N. Humming officiated at the christening.

Mrs. Mel Foster's group of the C. G. I. T. held their weekly meeting in the recreation room of the United Church on Tuesday evening, when arrangements were made for a hike on the 22nd, and a booth (hot dogs and ice cream) at the track meet on the 30th. The girls played games after the business of the evening was over.

SENIOR C. G. I. T. PLANS TO HOLD TEA OF NATIONS

The senior group of the C. G. I. T. under the leadership of Mrs. White, met at her home on Monday evening when an affiliation service was held and this group united with the W. M. F. Mrs. Porteous represented the latter. Plans were made for a Tea of Nations, to be held on the 23rd, when the waitresses will be dressed to represent different nations, with suitably decorated tables.

MULTUM IN PARVO

Here is a story by the illustrious poet Doctor of Idioms, J. J. D. D., which is well worth pondering: "Moses, in his wanderings in the wilderness, came upon a shepherd who was praying to God in the fervor of his devotion. 'Oh, my Master, my Lord, would that I knew where I might find Thee, and become Thy servant. Would that I might be Thy shoe-latchet, and comb Thy hair, and wash Thy robes, and kiss Thy beautiful feet, and sweep Thy chamber, and serve the milk of my goats to Thee for Whom my heart crieth out.' And the angel of Moses was kindled, and he said to the shepherd: 'We are too apt to undervalue that exceedingly great multitude of people who are simply good and religious-minded, wholly undisturbed by the anxious questionings which shake the world. They are not intellectually considerable, morally feeble, perhaps. Yes, but distance lies that Carlyle has said, 'Take heed that ye despise not these things, for they are they which are revealed things hidden from the wise and prudent.'"

Thou blasphemest. The Most High has no body, and no need of clothing nor of nourishment, nor of a chamber, nor of a domestic, nor of an attendant. And the heart of the shepherd was startled, for he himself had no self no image of one without body, form and corporal wants; and he gave himself up to God, and to be himself to serve God. And God spoke unto Moses, and said: "Why hast thou drawn me away from my God? Every man has received from me his mind, his heart, his eye of speech. What is it to thee, to speak to me? What is it to thee, to be a human being? I have nothing to me. I regard the heart."

We are too apt to undervalue that exceedingly great multitude of people who are simply good and religious-minded, wholly undisturbed by the anxious questionings which shake the world. They are not intellectually considerable, morally feeble, perhaps. Yes, but distance lies that Carlyle has said, "Take heed that ye despise not these things, for they are they which are revealed things hidden from the wise and prudent."

FOR HELP

God help all the lonely ones. Sad, heart, and only one. Who have no star of hope to shine And light them on their way. The longing, earnest, weary ones. Who have no silver lamp of love To cheer a lonely day.

God forgive the sadder ones. Who leave behind the sadder ones. To help them out a friendly hand To help them with their load. The fortunate and brighter ones. The gay and glad and lighter ones. Should be the ones to shed some joy Upon the uphill road.

God help us all, poor groping ones. Seeking and searching, hoping ones. Who leave behind the sadder ones. He gives us from His hand. We must have helped the stooping ones.

The weighted, drooping, lonely ones. Who leave behind the sadder ones. He will to understand. — Mary Keverley.

HO-HO!

A dear old lady was complaining to a friend of the cruel price of the vicar of her church. "And I'm told," she concluded, "that he actually reads an article under his vestments!"

Three friends were continually bragging to one another about the great personages to whom they bore resemblance.

One said: "Do you know that yesterday was taken for President Hoover?"

"Yes," exclaimed the other, "the other day someone mistook me for President Roosevelt."

"That's nothing," he was standing at a street corner and a policeman said to me, "Hole Mose!"

The teacher of a Sunday school class was explaining the story of Elijah and the prophets of Baal. "Elijah built the altar, put wood upon it, and laid them in pieces and laid them on the altar."

"And then," said the teacher, "he commanded to fill four barrels with water and pour it over the altar, and they did this four times. Now an angel told me why all this water was poured over the bullock on the altar."

"Please, sir, to make the gravy," came a prompt reply from one small listener.

A passenger who had obviously been indulging in the raffish buffet before the dining car attendant.

"Shay," he enquired rather thickly, "did I eat it from London to Manchester?"

The attendant told him and passed on. On his way he encountered the irritated one halted him again. "How far is it," he asked from Manchester to London?"

"What are you trying to do—make a fool of me?" he asked many miles from London to Manchester, isn't it bound to be the same number of miles from Manchester to London?"

"Not necessarily," was the reply. "It's only a week from Christmas to New Year, but the distance is from New Year to Christmas!"

A racing trainer had caught one of his stable boys stealing oats and seemed undecided what course to take. In the meantime the stable boy was taking advantage of the trainer's indecision to take a holiday.

The trainer's wife pleaded with her husband, and quoting the Scriptures in support of her case, said: "We were taught when a man took our coat to give him the cloak as well."

"Quite true," the trainer replied, "and as he has taken my oats, am going to give him the sack."

BOY SCOUT LIFE SAVING MEDAL

TO BE PRESENTED CLIF WARD AT PUBLIC CEREMONY MONDAY

A distinction achieved by very few boys has recently been won by Cliff Ward of the Grande Prairie Scout Troop. The summer before last he was instrumental in saving the life of Mr. Murphy, who was in the hospital of Grande Prairie Municipal hospital when he was in danger of drowning in the Red Willow River.

For some time nothing was known of the incident, but as soon as it became known the members of the local Scout committee enthusiastically recommended that Cliff should be awarded the recent medal given for saving life.

The recommendation was accepted by the Scout committee and the medal has now arrived and will be awarded at a public ceremony in the Speke Hall next Monday evening at 7 o'clock, by Mr. P. J. Tooley, Mayor of Grande Prairie.

This medal is only awarded on rare occasions for deeds of special bravery. It is awarded to a boy who has been in Alberta to receive it this year. The members of the public are invited to be present at the ceremony to award, and by their presence help to honor a brave deed.

Just a Thought

A.Y.P.A. TO SPONSOR CABARET SOCIAL ON WEDNESDAY, JUNE 3

Among the most popular social events of last year were two cabarets sponsored by the A.Y.P.A., which were extremely well patronized by the community.

This spring the A.Y.P.A. has decided to hold another cabaret on Wednesday, June 3, in the Speke Hall. An energetic committee is now working on the plans, and an evening of safety is promised to all who attend. The price will again be a bargain for such a treat.

The Mayor, who was kidnapped at the last cabaret, is expected to appear and a safe hiding place for this evening, as he will not be kidnapped again, but instead new surprises are in store, and it's going to be a big night.

One Beethovens, Ferns, Redors, Olive Whistler, Jessie Nell, Muriel Fish, and Margaret, "Ensignant." The performance of these young ladies further added to the enjoyment of the evening.

Frank Spicer was splendid as Admiral Beethovens, and in his singing of "The Catch of the Season," he was the cause of much added laughter.

Tommy Blair, as Sam, the negro servant, was even better than he was in the first performance. His work in the show scene was professional.

Mrs. C. Glavin, in the part of "The Lady in Red," sang a song, and won further applause when she returned and sang "Lullaby." Carol Hickman, who had a heavy role in the character of Lord Percival, was true to the character throughout.

Dorothy Crumley, as Marian Beethovens, was again the refined and beautiful daughter of a man of wealth. In the character of Continus Perkins, Mrs. Storm did a splendid piece of character acting.

"The Catch of the Season," proved popular with the audience. The group of four young ladies, around whom revolved many situations, showed marked improvement over their previous work. They were Dorothy, Glavin, Evelyn, and Jocelyn.

The work of Frances Spicer in the part of Bridget O'Hara, was simply immense. The Massey and Joe Butters
